When will my order be shipped?

Our goal is to ship your order within 48 hours. Next-day air or 2-day air UPS shipments are delivered Monday-Friday only. Orders must be placed before 12:00 noon EST (Monday-Friday) to assure same day shipping. We try really hard; however, occasionally we cannot meet these goals. Special sales from the newsletter may require a bit more time. Please contact our office if you have questions or specific shipping needs.
